Freight Mobility Strategic Investment Board

Mission

The mission of the Freight Mobility Strategic Investment Board is to create a comprehensive and coordinated state program to facilitate freight movement to local, national and international markets which enhances trade opportunities.

Goal Optimize freight mobility by reducing barriers on Washington's freight corridors.

Performance Measure Number of barriers to freight movement mitigated by closure or separation of "at grade" crossings.

* "At grade" crossings are where roadways and railroad tracks cross each other without one being elevated over the other.
